

## **ASPE WISCONSIN CHAPTER ENGINEERING SCHOLARSHIP**

### **Description**

The ASPE Wisconsin Chapter, in an effort to promote the field of engineering, created the ASPE Wisconsin Chapter Engineering Scholarship to recognize a graduating high school student or college student who is or will be participating in an engineering curriculum.

### **Scholarship Award Amount**

ASPE Wisconsin Chapter will bestow a maximum of \$3,000 (U.S.) scholarships in any one application year. The scholarship amount can be divided amongst a maximum of 3 applicants in any denomination. The award will be paid directly to the college, university or technical school into the scholarship recipient's tuition payment account. The ASPE Wisconsin Chapter has the right to reduce the overall amount of scholarship money donated or eliminate the scholarship in any given year.

### **Student Eligibility Requirements**

- 1) The ASPE Wisconsin Chapter Engineering Scholarship is limited to an ASPE Wisconsin Chapter member and his/her immediate family (i.e., spouse or child) planning a career in engineering.
- 2) The eligible individual must be:
  - a) Enrolled, as of the application year, as a full-time student in a college, university or technical school; and
  - b) Have maintained a minimum overall grade point average of 3.0 on a 4.0 grading scale; or its equivalent; and
  - c) Is enrolled in a school or program of engineering.OR
- 3) A senior high school student who:
  - a) Will graduate as of June of the application year; and
  - b) Plans to enroll in a college, university or technical school on a full-time basis (a minimum of 12 credit hours per semester/trimester) as of the fall or summer semester or trimester of the application year; and
  - c) Has been officially accepted by a college, university or technical school on a fulltime basis as of the fall or summer semester or trimester of the application year; and
  - d) Plans to enroll in a school or program of engineering.

### **Application Process**

The official ASPE Wisconsin Chapter Engineering Scholarship Application package consists of three (3) parts. All portions of the application package must be complete, accurate and legible. Please print (in black ink) or type all information. The Scholarship Committee reserves the right to reject any and all applications. The American Society of Plumbing Engineers Wisconsin Chapter Board of Directors will make the final scholarship determination and award based on the applications submitted and reserves the right to decline to award any scholarships in any application year.

# Scholarship Application Form

The Scholarship application must be completed and signed by the applicant, and submitted no later than **April 1, 2018**. The intent is to have the scholarship awarded to the applicant for the fall term of course work.

## References

Each applicant is required to have three (3) references; two (2) references must be submitted by teachers, professors, principal, dean and/or guidance counselor and one (1) reference may be submitted by friends or business associates (no relatives). A standardized reference form is provided as part of the application package.

Each reference should attest to the character of the applicant and/or provide a recommendation regarding the future success of the applicant in the engineering profession and/or offer an endorsement regarding the suitability of the applicant for the scholarship.

All references must be submitted directly to the Wisconsin Board of Directors by the reference giver in a sealed envelope. References submitted by the applicant will not be accepted by the committee.

Have references submitted directly to:

ASPE Wisconsin Chapter  
PO Box 13593, Wauwatosa, Wisconsin 53213  
Attn: 2015 ASPE Wisconsin Chapter Scholarship

## Personal Activities and Community Involvement

Each applicant is required to submit a Personal Activities and Community Involvement Form which is included as part of the Application Package. The applicant is encouraged to list:

- i) Extracurricular activities (e.g., clubs and athletics).
- ii) Community involvement (e.g., neighborhood involvement, local boards and commissions, homeless shelter work, Habitat for Humanity)
- iii) Awards and certificates
- iv) Work study programs
- v) College, university or technical school applicants may also include high school activities and awards.

The Personal Activities and Community Involvement listing is an important determinant of the commitment and dedication of each applicant. The statement of personal achievement will provide the Scholarship Committee with an intimate glimpse and insight into the personal qualities of the applicant. This form is to be attached to, and submitted with, the application form.

## Application Deadline

Scholarship application and all related forms, references and transcripts must be received by August 1<sup>st</sup> of the application year.

## Selection Process and Guidelines

The Wisconsin Chapter Board of Directors will consider each applicant's Scholarship Application Package and make its determination of final eligibility based on the merit of the application submitted.

**Scholarship Award Date**

The ASPE Wisconsin Chapter Engineering Scholarship recipients will be announced at the end of August of the application year. All scholarship applicants will receive a final determination letter. Scholarship recipients will be contacted regarding payment of the scholarship award and will be required to provide a wallet-sized or digital picture to be used in any official announcement. (All submitted materials, including pictures, shall become the property of ASPE Wisconsin Chapter and will not be returned.)

The official presentation of the scholarship will be announced to the ASPE Wisconsin Chapter membership in the chapter newsletter.
